

Date: 08.07.2019

Dear Parents,  
 Holistic development in a child can only happen with the blend of academics and co-curricular activities. The responsibility of kindling the artistic skills and talents in a child and allowing the development of it, is identified in the hobby classes. The array of hobby classes help students makes a choice of their own to channelize their interest and passion. The objective is to offer constructive options to the students indulging them in some activity of their choice. The hobby classes include Art/Craft , Sculpture, Robotics, Chess, Karate, Theatre, Cookery / Bakery & Sports. The exploration of hidden talents happen through these classes further ensuring the mental evolvment and development of the child.  
 You have to select **only one** hobby for your ward. Please give your consent with regard to the child's participation and the choice of hobby in the Consent form given below. Registrations will be confirmed on first come first serve basis due to limited seats available for each hobby.

**Paid hobbies for the students of classes VI to IX**
